

Dear Friend:

It is an honor to represent the people of the 39th Legislative District of Illinois and to serve as your Senator. In the Illinois Senate, I have promoted a progressive agenda advocating for better educational opportunities for our children, greater access to affordable health care, government and ethics reform, and economic opportunity for all. You can find the legislation I'm working on now, as well as my legislative record on this site.

I also have the responsibility to make certain that the people I represent receive the service they expect and deserve from the State of Illinois. Should you require assistance with any Illinois state agency, department, or official, please contact my Constituent Service Office at (708) 848-2002. My staff and I are ready to serve you.

I believe that availability is a hallmark of a good legislator. I'm proud to report that much of the legislation I've passed has come from suggestions from my constituents. If you haven't found all the information you're looking for on this site, or if you have questions, concerns, or suggestions, please contact me either by e-mail at [धारmon@senatedem.ilga.gov](mailto:धारmon@senatedem.ilga.gov) or by calling (708) 848-2002.

Sincerely,
